

# TUITION FORM

2026-2027 Season

---

## INTRODUCTION

Grand Rapids Youth Choruses is committed to making exceptional choral education accessible to every singer. We offer a community-supported tuition model that allows families to choose the tuition level that best fits their circumstances.

**Minimum Tuition** covers the cost of your chorister's participation.

**Standard Tuition** covers the cost of your chorister's participation AND offsets scholarships and financial assistance costs from GRYC, making it possible for more young singers to participate.

As always, scholarships and multi-child discounts remain available for any family who needs them. Please **email requests for scholarships, discounts, and completed forms to: [info@gryouthchorus.org](mailto:info@gryouthchorus.org)**.
