

### **Season Schedule acknowledgement**

I have received the 26-27 season schedule and agree to participate in all concerts and events for my choir.

If I have a pre-existing and unchangeable conflict, I will notify my director before the season begins.

If I am a singer who has a job, I will check these dates with my employer and be intentional to not double-book myself.

If I am a singer who signs up for other extra-curricular activities, I will be mindful of my schedule and communicate any potential conflicts, along with a plan to honor my commitment to my choir.
